- Develop system-wide contests, games, etc. designed to draw people into the library
- Develop customized/curated information packets aimed at specific groups of users (eg. home schoolers) highlighting ways in which the library can make their lives easier
- Explore the creation of a “library of experts” that can deliver in-library programming
- Explore ways to centrally support in-library programming from a funding standpoint, eg. subsidizing mileage and fees of presenters
- Assist libraries with measuring library visits through the provision of the door counters

Output Measures

- Library use and attendance as measured by door counters
- Attendance at library programs and events
- Number of events held at libraries
- Turnover rates of specific genres in response to customized recommendations

Impact

- Explore directly supporting member libraries in offering community outreach

Output Measures

- Use of the "Pop-Up" library kits
- Number of books signed out/memberships created at Pop-Up library events
- Use of the tabletop displays
- Attendance at inter-agency meetings

Impact

- Community members are more aware of the library
- Library services are extended to people who otherwise might not have access
